

JOB DESCRIPTION AND ACKNOWLEDGEMENT FORM

Established in 2003, Lourenco Backhoe, Inc. is one of the leading operated backhoe companies in Southern California. We service San Bernardino, Riverside, Orange, and LA Counties. We are rapidly expanding and looking for experienced drivers to grow with our company.

Heavy Equipment Transport Driver

Drive heavy equipment hauling semi. Load and unload equipment. Properly tie down equipment.

Skills and Qualifications

Minimum three years of experience of driving semis, preferably hauling equipment.

Must be knowledgeable of semi operations and maintenance.

Must have a Class A Commercial Driver's License.

Experience with ramp truck preferred.

Have the physical ability to skillfully handle heavy machinery.

Job Description

The position consists of but is not limited to the following duties:

Drive a semi and/or ramp truck to transport equipment to and from job sites.

Utilize equipment in a manner to maximize productivity and minimize wear and down time.

Load and unload backhoe from a semi truck with trailer or ramp truck.

Perform routine safety inspections and equipment maintenance.

Report mechanical or maintenance issues with equipment.

Minor repair and maintain equipment.

Assist in the general operation of each job site.

Must be willing to transport equipment in San Bernardino, Los Angeles, Riverside, Orange Counties, and surrounding areas.

Job Type

Hourly, on-call. Pre-employment background and random drug screening required.

Acknowledgement

I have received, reviewed and fully understand the job description for Backhoe Operator and Driver. I further understand that I am responsible for the satisfactory execution of the essential functions described therein, under any and all conditions as described.
